

# KRS-One Lyrics

## "The Truth"

It's not natural  
If it goes against God  
It's not factual  
Her truth is not hard  
It's not natural  
If it goes against God  
It's not factual  
Gimme the truth!

Listen to the lyric as the negative is shrinkin  
It's shrinkin out your life when you decide to change your thinkin  
One of the first things we gotta switch around of course  
Is Jesus Christ, and him dying on the cross  
You're looking at the cross, surrounded in it's mystery  
With Jesus on the cross in a, total misery  
Now seperate Jesus from the cross so you can see  
The truth about the cross, and the cross's history  
The cross was created by the Roman government  
It's only purpose and use, is cap-i-tal punishment  
But Jesus Christ, was all about the revolution  
While the cross was used as Jesus Christ's execution  
See what if Jesus Christ, was hung upon a tree  
Upon every church wall, that's exactly what you'd see  
If Jesus Christ, was shot in the head with no respect  
We'd all have little gold guns around our neck  
If Jesus Christ was killed in electric chair, now get it  
You'd be knealing to the electric chair with Jesus, still in it  
You gaze upon the cross, and you see the execution  
You yell stop the violence but the cross you're still using

It's not natural  
If it goes against God  
It's not factual  
Her truth is not hard  
It's not natural  
If it goes against God  
It's not factual  
Gimme the truth!

So I say listen, listen, open up your third eye vision  
God is not down with religion  
Religion they be sellin it, listen up, God is intelligent  
Reading of the bible is irrelevant  
You gotta look within yourself, not a scripture  
KRS-One comes to rearrange the God picture  
If you sit and believe, you can acheive  
If you sit and accept, you don't know, what's correct  
or incorrect, take for instance Adam and Eve  
The first two people on the planet, or so you believe  
Their first time in heaven kids they had, Cain and Abel

Huh, now let me show you why the story's unstable  
According to the story, according to what you believe  
There was only Cain, Abel, Adam, and Eve  
on the whole planet, now use your intellect  
and tell me, what did Cain and Abel do for sex?  
Upon the whole planet there was not another  
Could it be for sex, heh, they were looking at each other?  
Hold up! I thought the church wasn't into that  
But wait, still yet, there is another fact  
How did the world get populated?  
Now tell me if I'm wrong, but obviously Eve had it goin on  
Think for a minute, I know it gets notorious  
But yo G, check out the chorus

It's not natural  
If it goes against God  
It's not factual  
Her truth is not hard  
It's not natural  
If it goes against God  
It's not factual  
Gimme the truth!

[Rich Nice]  
Yo yo...  
Yo bring that back  
I wanna say something on this BlastMaster session  
Yo this is Rich Nice  
You brothers gotta stop treating these hoes like nice girls  
and these nice girls like hoes

[KRS-One]  
True indeed, I'd like to welcome the rebirth of the Goddess  
Word up it's all about knowledge of self  
Yo Busta Rhymes, why don't you take the session over from here

Writer(s): Lawrence Krsone Parker
